The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

TREATY
BETWEEN
HER MAJESTY
AND THE
UNITED STATES OF AMERICA,
FOR THE
SETTLEMENT OF THE OREGON BOUNDARY.

Signed at Washington, June 15, 1846.

*Presented to both Houses of Parliament by Command of Her Majesty,
1846.*

T R E A T Y
BETWEEN
HER MAJESTY
AND
THE UNITED STATES OF AMERICA,
FOR THE
SETTLEMENT OF THE OREGON BOUNDARY.

Signed at Washington, June 15, 1846.

[*Ratifications exchanged at London, July 17, 1846.*]

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, and The United States of America, deeming it to be desirable for the future welfare of both countries, that the state of doubt and uncertainty which has hitherto prevailed respecting the Sovereignty and Government of the Territory on the North-west Coast of America, lying westward of the Rocky or Stony Mountains, should be finally terminated by an amicable compromise of the rights mutually asserted by the two Parties over the said Territory, have respectively named Plenipotentiaries to treat and agree concerning the terms of such settlement, that is to say :—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland has, on Her part, appointed the Right Honourable Richard Pakenham, a Member of Her Majesty's Most Honourable Privy Council, and Her Majesty's Envoy Extraordinary and Minister Plenipotentiary to the United States; and the President of the United States of America has, on his part, furnished with full powers, James Buchanan, Secretary of State of the United States; who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

ARTICLE I.

From the point on the forty-ninth parallel of north latitude, where the boundary laid down in existing Treaties and Conventions between Great Britain and the United States terminates, the line of boundary between the territories of Her Britannic Majesty and those of the United States shall be continued westward along the said forty-ninth parallel of north latitude, to the middle of the channel which separates the continent from Vancouver's Island; and thence southerly, through the middle of the said channel, and of Fuca's Straits, to the Pacific Ocean: provided however, that the navigation of the whole of the said channel and straits, south of the forty-ninth parallel of north latitude, remain free and open to both Parties.

ARTICLE II.

From the point at which the forty-ninth parallel of north latitude shall be found to intersect the great northern branch of the Columbia River, the navigation of the said branch shall be free and open to the Hudson's Bay Company, and to all British subjects trading with the

same, to the point where the said branch meets the main stream of the Columbia, and thence down the said main stream to the ocean, with free access into and through the said river or rivers; it being understood, that all the usual portages along the line thus described, shall in like manner be free and open.

In navigating the said river or rivers, British subjects, with their goods and produce, shall be treated on the same footing as citizens of the United States; it being, however, always understood, that nothing in this Article shall be construed as preventing, or intended to prevent, the Government of the United States from making any regulations respecting the navigation of the said river or rivers, not inconsistent with the present Treaty.

ARTICLE III.

In the future appropriation of the territory south of the forty-ninth parallel of north latitude, as provided in the First Article of this Treaty, the possessory rights of the Hudson's Bay Company, and of all British subjects who may be already in the occupation of land or other property lawfully acquired within the said territory, shall be respected.

ARTICLE IV.

The farms, lands, and other property of every description, belonging to the Puget's Sound Agricultural Company, on the north side of the Columbia River, shall be confirmed to the said Company. In case, however, the situation of those farms and lands should be considered by the United States to be of public and political importance, and the United States' Government should signify a desire to obtain possession of the whole or of any part thereof, the property so required shall be transferred to the said Government at a proper valuation, to be agreed upon between the parties.

ARTICLE V.

The present Treaty shall be ratified by Her Britannic Majesty, and by the President of the United States, by and with the advice and consent of the Senate thereof; and the ratifications shall be exchanged at London at the expiration of six months from the date hereof, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

Done at Washington, the fifteenth day of June, in the year of our Lord one thousand eight hundred and forty-six.
